VISION

To bring recognition to owners of homes and businesses in Sullivan County who, through their efforts, have enhanced the area in which we all live and work. To give special recognition to a municipal project, in the form of a monetary grant, made possible through Sullivan Renaissance, project to promote community pride through beautification in Sullivan County.

HISTORY

For many years, the Sullivan County Board of Realtors hosted and sponsored an architectural awards program. Those awards brought recognition to owners, builders and architects for some of the most impressive homes, camps and commercial buildings in the county. The awards grew in size, stature and credibility through 2000. Now the Sullivan County Board of Realtors has teamed with Sullivan Renaissance to showcase a newly revised awards program – Sullivan Showcase Awards!

On behalf of the Sullivan County Board of Realtors I am pleased to introduce the 2009 "Sullivan Showcase Awards." While we have all experienced tough economic times, a spirit of optimism and hope can be found in Sullivan County, where we are celebrating our Bicentennial and preparing for the future.

As Realtors, it is part of our everyday job to show prospective new residents our area. We know firsthand the positive impact that emerged from individual investments in property, and grants given by Sullivan Renaissance and other agencies.

The Sullivan Showcase Awards have been chosen as the vehicle for a very special grant, the Best Municipal or Public Building Project. This is a monetary grant made possible by Sullivan Renaissance.

All you need to do to participate in the Sullivan Showcase Awards is look around! If there is a home or building that strikes you as worthy of being "showcased," fill out the nomination on the back of this brochure, and send it to the address listed.

We encourage your participation, and wish the best of luck to the nominees.

Sincerely,

*Susie Hemmer, President
Sullivan County Board of Realtors*
